For the first time in the history of the FIFA franchise, The World's Game for Xbox One and PS4 has 5G Pro kits. 4K versions of the game will come to Xbox One X and PS4 Pro. FIFA 20 introduced the Best XI and Team of the Year game modes. This year the best 5 players and the best 11 players are chosen by the EA SPORTS Selection Committee, which includes the top 25 players in the world, coaches and media members. As the number one football video game franchise, EA Sports offers for the first time on PlayStation 4, Xbox One and PC the FIFA Ultimate Team (FUT) cards feature. Players can use their FUT ratings to create the ultimate team and try to achieve the best in-game achievements. FIFA Ultimate Team, an online in-game marketplace in which players can buy, sell and trade the digital versions of all official licensed players via FIFA Points, is also introduced for the first time on Xbox One and PS4. Available on Xbox One, PS4 and PC, FIFA 20 features a brand-new cover athlete, Ada Hegerberg, and will be rated E for Everyone by the ESRB. FIFA 19 introduced the Next-Gen Matchday experience and a brand-new cover athlete, Kylian Mbappé. EA SPORTS FIFA 19 for Xbox One and PS4 offers access to EA SPORTS' FIFA Ultimate Team (FUT) cards, which allows players to collect, trade and manage millions of FIFA Points. Players can also compete in The Story mode, the new season-long FIFA Ultimate Team Championship tournament as well as new FIFA Championships modes. Earlier this week I got the opportunity to play the brand-new FIFA 20 on Xbox One. Here are some of my impressions. FIFA 20 on Xbox One is technically next-gen. It's more graphically superior to FIFA 19 and other recent console games like Call of Duty: Black Ops 4. However, since FIFA 20 runs in the same engine as the Xbox One X, you can expect the game to max out the Xbox One X's horsepower. In other words, the game will look better than the console itself. Here's what I saw in FIFA 20 on Xbox One. FIFA 20 on Xbox One (Official Xbox Magazine) FIFA 20 on Xbox One (Official Xbox Magazine) The game's menus are much cleaner, and the user interface is updated. The menus are far more intuitive than before

What's new in Fifa 22:

- **A new method of determining an entire team's stamina brings more intensity and unpredictability to**

matches. Get to know your new teammates better and see their individual characteristics by playing with them in more real-time matches than ever. Choose wisely when using the pre-game send-off. It takes just seconds to give a player a massive morale boost - or leave them in pieces.

- **Tackle engines give new meaning to big-headed tackles. See how your physical movement affects the trajectory of a ball before you make that perfect tackle. If you choose it well, make them suffer.**
 - **Unlock new skills, powers, and improved varieties of your favorite boots. Unlocked via gameplay progression or unlocking further content.**
 - **Play with your favorite players from the greatest national teams in history, as they flock to the pitches of the English Premiership.**
 - **How to Play - Create your Ultimate Team. Pick from over 600 players from more than 30 different footballing nations, and build the best team of fantasy footballers. Create a squad of superstars, or sneak in under the radar. Build a team that can succeed in the toughest leagues.**
- Turn Defense Off**
- **Goalkeeper Warm-ups - Defenders can now warm up before a match with their Trainer.**
 - **When chasing a player, instead of using the Radar Indicator, use the Arrow-shaped "Heat Map". The more focused you are on your target, the hotter you get, making it more difficult to evade you.**
 - **Win Contests in your own Way - Use new ways to earn experience,**

trophies, new play skills, and unlock boots.

- **New Legends Roster Adding new legends to the ultimate team, along with new play styles such as new sprinting, shooting and ability to pass off the shoulder.**
- **Visual Illusions - Visual Illusions allow you to momentarily dive into memories of seeing the ball move & manipulate the world around you.**
