.. Droppix Label Maker Serial Free Download.SACRAMENTO, Calif. (AP) — A spate of new gun laws in California are being held up in court as a de facto ban on carrying handguns in the state is being challenged in a federal case. At issue is a now-dead bill that would have given people the right to carry concealed weapons. The weapon owners who sued say California's ban on the practice goes too far. The state has an estimated 10.8 million legally registered guns but 5 million of those can't legally be carried concealed because the state doesn't recognize the weapons permits issued by another state. Supporters of the new laws say the law needs to be fixed. They say the lawsuit against the state is another example of extreme gun owners trying to use the courts to thwart laws meant to control firearms and to keep the mentally ill from buying guns. India's opposition alliance has demanded that it be an "one-man, one-vote" election with the government, amid a deep political crisis. The opposition Congress Party-led alliance in the Indian parliament, the Lok Sabha, has demanded that Narendra Modi's government be removed in order to hold elections for the next five years. Following a meeting of Congress-led state-level leaders on Sunday, the coalition has said elections will be held by the summer of 2019. The alliance includes the main opposition party, the Communist Party of India, several regional parties, but many face electoral defeat in this year's assembly elections. "The people have lost faith in the government," one opposition leader said. The Communist Party of India and several other parties have formed the opposition alliance, Lakshmi Hebbata Sangha. The Communist Party - often described as the "ruling party" in India - is the main opposition party. The alliance held its first national press conference on Monday, saying elections should be held by the summer of 2019. "We request the PM (Prime Minister) to immediately dissolve parliament, call general elections forthwith and hold new elections by the summer of next year," said Priyanka Gandhi Vadra, the Congress Party's general secretary. The alliance is protesting a series of proposed government
