Ferryman and the villainous Crow family have now set their sights on the Swallowtail Grove and its secrets in order to achieve their ambitions. Players take on the role of Swallowtail, a mechanical swallowtail butterfly in the Swallowtail Grove, who must collect and equip 16 pieces of a key and use them to unlock its power. Return of Roo In each chapter, the player explores new areas and complete puzzles. The puzzle part of the game is composed of logic-based platforming challenges in order to solve the puzzles and move forward.
