He meets Divya (Sonam Kapoor) and her parents, who are wealthy landlords, and her childhood friend, Vikram (Boman Irani). Divya and Vikram have been friends since childhood, and Divya believes Vikram is the one she loves. She later develops a crush on Vinash. Vikram, on the other hand, meets Divya by chance in a restaurant and falls in love at first sight. He wants to ask for her hand in marriage but learns from her parents that she is already engaged. The wealthy parents inform Vikram that if he does not marry Divya within three months, then all of her family will become poor. Vikram agrees to the proposal and marries Divya. But the day before his wedding, he is almost killed while trying to save a girl from a car. Vikram learns that the girl is Divya's friend. What will happen to the love story between Divya and Vinash?
